Information for Contributors

Journal of Atmospheric Electricity (JAE) is published biannually by the Society of Atmospheric Electricity of Japan (SAEJ). The editors of Journal of Atmospheric Electricity welcome timely contributions from all areas of atmospheric electricity and related fields. Not only original papers, but also review papers and short notes, are welcome.

Mailing of manuscripts. To submit your manuscript, upload the manuscript via the submission webpage (<http://saej.jp/entry/jae.html>), or mail three copies to SAEJ office.

E-mail: jae@saej.jp

Manuscript preparation. The papers submitted to JAE should be written in English or Japanese, but in the latter case the abstract and figure captions should be in English. The author is advised to submit his/her paper initially in single-spaced-typescript Society format. The format will be sent from the office of SAEJ by request. If the paper is accepted for publication, the author will be required to provide the final version which will be photo-copied for publication.

Page charge and reprints. The author is not requested to pay the publication charge, but he/she is requested to purchase 100 or more reprints. The cost of 100 reprints is ¥10,000 up to 4 pages and ¥5,000 for each additional 2 pages. The cost of color figures is additional. The additional cost of 100 reprints is ¥22,000 for each 2 color pages. A special offer is possible for reprints without charge. Consult with Editor-in-Chief for detail of the special offer.

Copyright. The copyright of papers published in JAE belongs to the Society of Atmospheric Electricity of Japan (SAEJ). The author is requested to submit the Copyright Agreement Form signed by the author when the manuscript is accepted. The form will be sent from the office of SAEJ.
